Week ending 6th June 2025

Dear Parent/Carers,

Although the children have only been in school for four days this week, it has certainly been a busy one – and indicative of how the rest of this term is going to be.

The first group of Year 6 pupils have been gaining their cycling proficiency over two days. Other groups are booked in for their sessions throughout this half term. Year 3 and Year 6 both had visitors coming in to class. Year 6 to receive cyber safety talk and Year 3 had a session around recognising and managing their emotions.

 via Arbor for £2

Year 1 participated in a “Teddy Bear Run” at Mayflower Primary School. They did amazingly well and all of our Year 1 class were presented with participation certificates in Celebration Worship this morning.

Our netball team took part in a tournament yesterday. They impressed us with their perseverance and resilience – and they also received participation certificates in worship this morning.

Today, our choir took part in a special event with the Sing Veterans Choir. Along with other HEP schools, the choir sang with the veterans; contributed to the reading of poems and heard talks given by the veterans. A big thank you to Mrs Fern for working with our choir and preparing them for this incredible experience.

We are almost ready to share class teachers with parents and pupils, in preparation for next year. You should be receiving this information in the next week or two. We, as always, will give parents the opportunity to come into school and meet their child/ren’s new class teacher on the 26th June. The “meet the teacher” session will be after school and the final details will be shared soon.

We are in real danger of having to cancel our summer fayre this year. Whilst we have been able to secure outside sellers we are really struggling with PTA support. If any parents/carers or family members are available to run a stall for us, please do let the PTA know. Thank you in advance for your support with this!

Finally, I’d like to wish our pupils who are participating in the triathlon this Sunday lots of luck. Sponsorship is still open (via arbor; directly with the children or on a form in the front office). I can’t wait to hear all about it on Monday.

Wishing you a happy and safe weekend.

Mrs Moseley.

Welcome back after a lovely half term. We managed to dodge the rain this week for year 3 & 4's forest school session. Using the natural resources on the ground and a handmade mallet, they created amazing 'tie-die' inspired flags with berries, flowers & leaves. They were also starting to make use of some tools; using potato peelers to peel sticks - great practice for peeling veg for dinner at home!

As always the children enjoyed some free time in the mud kitchen, playing on the swing and tyres and just enjoying the beautiful outdoors! Mrs Thomas.

This week's 'School Vision' Award goes to:

Kennedy-Mae in Year 1 for always being such a kind and caring member of our class and school community. She consistently works hard and supports her peers. During our teddy bear run, Kennedy-Mae spotted a child in our class become upset as they tumbled over during the race. Kennedy-Mae had completed the race and noticed the other child, so she decided to run straight to them to complete the race by their side. We are incredibly proud of Kennedy-Mae's thoughtful and considerate nature.

On Sunday 8th June 2025, a small number of our pupils (and one former pupil) have chosen to compete in the local Harwich Junior Triathlon event.

The Harwich Triathlon weekend features Olympic & Sprint distance events, as well as Junior distance events. All taking place over the same weekend. The Junior races are all based out of Dovercourt Bay Lifestyles swimming pool and will involve a pool swim, a cycle on grass and a run on grass. Not for the fainthearted.

The pupils taking part thought it would be a nice idea, to use the event to gain sponsorship and raise some money. Money that can be used to purchase a new sports kit for the school. The kit can be utilised at all sporting events, to unify the children taking part as a team under the school's banner.

The event will be a real challenge for all the children, as they will be expected to complete one of the following based on their age.

Children Under 9: 50m pool swim, 1km cycle on grass, and 600m run on grass.

Children Aged 9-12: 150m pool swim, 2km cycle on grass and a 1.2km run on grass.

Children Aged 13-15: 150m pool swim, 3km cycle on grass and a 2.4km run on grass.

The children taking part must complete all sections of the event unassisted, and therefore all juniors taking part must be confident they can independently complete all three disciplines of the triathlon.

It would be fantastic if the children could receive sponsorship from as many people as possible. As well as anyone that is able to attend the event on the day to provide encouragement to all the Junior athletes taking part.

Anyone wishing to sponsor our pupils can do so with them directly, or we will have a sponsorship form on the front desk at school. Likewise, you can also pay via Arbor.

Thank you to our pupils/parents for coming up with such a wonderful idea!
