Week ending 14th March 2025

Dear Parent/Carers,

I cannot believe I am writing to you with only one week remaining until our Inclusion and Diversity Festival. We are incredibly overwhelmed with the amount of community support we have received – whether that is donations from local businesses; use of local buildings with no hire charge; companies and charities agreeing to run family activities for us or general messages of support. We are in the process of collating all of the information around the day and putting it online which you will be able to access through a QR code. There is also a programme with times and locations of all the different events going on around the town.

As previously mentioned, children will have the opportunity to collect stamps throughout the day and then trade them in for a goody bag. We are preparing 2,000 goody bags for children to collect throughout the day. These goody bags are being filled on Thursday 20<sup>th</sup> at All Saints'. If anyone has any time that day, that they would be willing to give to help with this massive task, I would really appreciate it. Please contact the office via phone or email if you are able to offer some time during the school day.

The children across Harwich have been busy preparing work that is going to be exhibited, alongside the different activities that are going on. The work will be showcased in different locations across the town. At All Saints' every class has work to display so please do look out for it.

As always, we are really keen to hear your feedback following the event!

Wishing you all a happy and safe weekend.

Mrs Moseley.

All Saints' PTA are kindly asking for any Easter Egg donations which can go towards our upcoming Easter events as prizes for our children. Please drop them into reception if you can help - thank you in advance!

## Year 1 Wyvernwood Trip

'On Wednesday this week Year 1 went to Wyvernwood. When we arrived, we were greeted by two silly goblins! We made our way through the enchanted gateway into the magical forest. There, we listened to the story of the magic compass, which then lead on to our search for gems, exploring the fairy garden, and making a potion, and then met with The Captain and Princess Arabella. All the children got fully involved in the immersive experience, and Mrs Pryke got made the Queen by The Captain!! We all had an incredible day!'

## Year 3 Colchester Castle Trip

On Thursday 6<sup>th</sup> March Year 3 had a very exciting trip to Colchester Castle. First, we went down lots of old stone steps underneath the castle, where a guide showed us some pictures and Roman artefacts about the Roman army and the Celts. After looking at the museum, we had our lunch.

After lunch, we went to the top of the castle and watched a video about the Romans in Colchester. We then got into groups and built a Roman villa and roundhouse. Just to let you know, we had a really fun time!
