Week ending 7th February 2025

Dear Parent/Carers,

This week, I attended the first ever HEP Parent Forum. Parent representatives were there from most of the Harwich schools. During this meeting we discussed the purpose of having a HEP Parent Forum and the impact it could have. We have agreed to meet every half term, with our next meeting being on the 26th March. A massive thank you to Carly and Charlotte who attended on behalf of All Saints'. I look forward to keeping you up to date on how the Parent Forum develops. The parents have requested our next meeting is focussed around behaviour in schools in Harwich. If you have any views or questions related to this topic, please let one of our reps know and they can bring it to the meeting.

Continuing our "year of experiences", we had Hasty's Farm in school on Wednesday. They brought along a selection of their farm animals and set up on our playground. Every child had the opportunity to go outside, meet the animals and take part in a "sensory experience". Lots of information was shared with the children about the animals – all children were engaged and spoke enthusiastically afterwards. We loved having Hasty's Farm in school with us and hope to invite them back to visit us again. See below for a selection of pictures!

Next week, a selection of children from across the school are meeting with a local artist to create a mosaic to go on the HEP Diversity Bench. Jullian and Belle were our All Saints' winners of the design competition, so they will be going down as well to see parts of their design come to life. The launch of the bench (being placed on Harwich seafront) will form part of our Inclusion and Diversity festival on Friday 21st March.

Wishing you all a happy & safe weekend.

Mrs Moseley

On Thursday, Year 6 visited Duxford- Imperial War Museum. The children had a guided tour and were able to see the real artefacts that they had been learning about in their history lessons on WWII, including Hurricane, Spitfire and Messerschmitt fighter planes. The children explored the Operational Control Rooms, went inside an Anderson shelter and were able to try on the RAF uniforms.

A really wonderful experience!

With January finally out the way, it feels like we are one step closer to the Spring! The sunshine this week has been glorious, despite the cold temperatures, and we have just started to notice some of the buds peeking through on the trees, ready to start giving us that much needed shelter for the summer. We will look forward to watching these grow over the coming months!

The children have had a great time over the last few weeks, moving around freely and just getting stuck into whatever they fancy. They have been exploring the den building area, and as always the mud kitchen! Reception class this week braved the cold but had a lovely time nonetheless - especially using the donated wool to decorate their sticks to turn into magic wands. Donations of flower seeds & bulbs, flower pots, wool or any other old kitchen utensils will always be welcome! We would also love a formally built mud kitchen too, so please bare us in mind if you are having a clear out or see anything around.

As always, please remember spare shoes, wellies and warm socks & layers for forest school days!

WORLD

BOOK WEEK

3rd - 7th March 2025

At All Saints' we want to celebrate the importance of reading. We will be holding a **WORLD BOOK WEEK** where the children will do different daily activities involving books!

At the end of the week to celebrate on the **FRIDAY 7th MARCH**, all children are invited to come into school dressed as a character from a book or in something that they wear when reading.
