Week ending 19th September 2025

Dear Parent/Carers,

We have had a busy first few weeks back in to school and the children have settled in very well into their new classrooms. Many thanks to our Reception parents and carers, who have done an amazing job in getting them 'school ready' over the summer.

As with every start of the year, Year 6 have been awarded their responsibilities. As always, it was a really difficult decision – but please see the results and photos below.

Its been a busy start to forest school this term, with all the classes getting stuck straight into their time outdoors. The weather has mostly been on our side, but the rain has given the mud a good softening which has been perfect for the mud kitchen creations, and digging into the ground. We have been focusing on bug hunting, and have been using magnifying glasses, tweezers (great for fine motor skills), small pots and a butterfly net to see what the children can catch.

As always, they've been making dens, using the tyres, rope swing and pallets to get creative and generally enjoying the outdoor space.

The Autumn weather is well on its way, so please remember layers, and spare shoes over the coming months!
